Semi-Automatic Case Taper

Squareness Assured

BEL's innovative and powerful Uni-Drive system synchronizes conveyor belt speed, eliminating case skew, so that cases leave the machine squarely taped.

Lasting Performance

The BEL 150 features heavy duty, corrosion resistant aluminum C-Beam construction and compact design to provide lasting performance in the most demanding production environments.

Superior Tape Application

The BEL 150 is equipped with state-of-the-art DEKKA High Performance stainless steel tape heads that are easily loaded in or out of the machine in 30 seconds or less.

Easy Case Change

The BEL 150 is user-friendly, enabling the operator to make box size changes from either side of the machine quickly and easily, in 30 seconds or less.
